INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

I am 70 years of age, and was owned as a slave by Jones. I claim Indian blood through my mother. She was held as a slave. I live at Mt. Airy, N.C. I was born at Mt. Airy, N.C. My mother was born in Surry County, N.C. She told me that she was kin to a Cherokee Indian. My mother was never enrolled as an Indian nor did any share money that I know of. I have never been enrolled or did any share. The Indians were moved to this country before I can remember. William Norman (F. 11) was with me now, in my mother and claims through the same line. He claims through no other line.

My name is Annie E. McClenore; I am 28 years old; I live at Mt. Airy. I was born in Surry Co., and am the daughter of John Crawford, who was born in Alabama, I think. My father was held as a slave, as was my mother. They belonged to white people. I have heard my father and mother say that they were related to Cherokee Indians.

Eastern Cherokee Enrollment

Dear Sir

Yours of May 18th received.

Replying to your question

I will state, that, my great

grandparents were full

blooded Indians, and resided

among the Cherokee tribe.

They resided in Surry Co near

Net Airy until they were

driven westward by white

settlers.

My grandparents were

half breed, but my own

parents were sold into slavery

XB
to satisfy debts, and were
recognized as negroes.

The parent through whom
I make my claim knew
nothing of an enrollment
in 1801. ~~And~~ She was living
in Surry County in 1834-35
my parents were slaves
of white people.

Very respectfully

No. 38026 (Sally Nelson).

SARAH J. WOLFE, being first duly sworn, deposes and says:

My name is Sarah J. Wolfe; I live at Mt. Airy, N. C.; I am 27 years old. My mother is Nancy Bearman, and Sally Nelson was her mother. My mother is living, but she was sick and did not file a claim. I claim my Indian blood on both sides, both father and mother. My mother is 56 years old; my father is not living. My mother was not a slave; she was a free woman. She was born in Patrick Co., Va. Sally Nelson was not a slave; never was a slave. She said she was born down in Stokes Co. My father was not a slave. He was born in Mt. Airy, N. C. He was the son of the sister of Drucinda Snow (34139). I ~~xxx~~ have heard Sally Nelson say that she is half-Indian, on her father's side. Her mother was a white woman. Sally Nelson said that her father was a Cherokee; I don't know where he was born. I never heard my mother or grandmother say that they had drawn money from the Government as Indians. They lived close by where the Indians were, but never lived with the Indians as Indians. I don't know where it was that they lived close to the Indians. I never knew where they lived outside of Stokes, Surry Co., and Patrick Co. (Va.), except grandmother Sally Nelson went over into Tennessee for a while. I never heard my father say that he was enrolled as an Indian or received any money as an Indian. I have been hearing that I was a Cherokee Indian for some 10 or 15 years. I don't know whether my neighbors knew it or not. But grandmother always said that she is half Indian and that we have Indian blood in us, too. She always said it was Cherokee Indian. Never claimed any other kind of Indian. I told Drucinda Snow that I was a Cherokee Indian about a year ago. I never told her that before; I did not know there was anything in it before. I never told anyone that I was Cherokee Indian until I knew there was something in it. We knew we was Indian all right, but never said much about it. My grandmother passes for a colored woman. My father was a colored man.

Henry Larkins (Lainkins) being first duly sworn deposes and says

I live at Mt. Airy, N.C. I am 68 years of age, and was born in Henry County, Va. I claim Indian blood through my mother, who was born in Pittsylvania County. My father was a colored man, and was sold as a slave. I was also sold as a slave, as well as my mother. I do not know how old my mother was at the time of her death. I was her youngest child, and quite small. I talked with my father and the White folks who raised me about my Indian blood. I was told that my grandmother was a Cherokee Indian. My father said that my grandfather was a Cherokee Indian. I have two brothers and two sisters, but do not know whether they have filed claims. One of my sisters is named Mary Carter, and the other Hazle Carter. They married brothers. My brothers were named Elias and Patrick Larkins.

My mother's mother passed for a white woman. Her father, Joel Marshall, was a Cherokee Indian. Neither my mother nor I ever attended school. I pass as a colored man and my children attend school. ~~xxxx~~ Neither my mother nor I were slaves and were known as "free negroes". I do not know of my mother ever being enrolled with the Indians or being paid any money by the Government as an Indian. I do not know of my grandparents ever being enrolled as Indians or receiving any money as such. I never received any Indian money and have never been enrolled. I heard my mother and father say that my grandfather was a Cherokee Indian. I do not know whether my mother and grandfather ever lived with the Indians, although I have heard my mother speak of being with them. I do not remember any Cherokee Indians in this country. I have heard my mother say that her father lived with the Indians in Rockingham County.

Solomon W. Smith being first duly sworn, deposes
and says:--

My name is Solomon W. Smith. I live at Athens, Ala. I was born in 1844 in Murray County, Ga. I claim through my mother, and her father. They came from Hart County, Ga. My mother died when I was three weeks old. I don't know how old she was at that time. My mother and my grandfather Peak were recognized as Indians. They lived with the white people. I never heard of my grandfather or any of my ancestors living with the Indian tribe. I think my great grandmother Peak drew some money from the Government on account of her Indian blood. I don't know much about my ancestors, but my aunt, Martha Stoner, has filed an application. I claim through the same line that she does, and request that my case be considered with hers.

Dear Sir:

*JA gd doc
of Peggy Williams

In rejecting the application of Samuel S. Smith No. 53058, reference is made to the application of Solomon W. Smith No. 38348 and reference is then made to Miscellaneous Testimony p. 554. At that page is shown the testimony of Solomon W. Smith, who states that his aunt Martha Toner has filed an application. The index shows Martha Toner's number as being 38446. No. 38446 is the application of Martha Toner and the notation is that she is a sister of No. 36513. No. 36513 is Louis H. Teek of Dawson, Oklahoma. Supporting his rejection you refer to Miscellaneous Testimony pages 796 and 797. On those pages appear the depositions of John T. and Louis H. Teek, Mich. I am unable to connect with the original applicant.

One of these witnesses testifies that he claimed Indian blood through his father, who claimed through his mother, Elizabeth Williams. He says that one of his father's brothers went out with the Indians. He says that his great grandfather, Peggy Williams, was a full blooded Indian. He says also that his father's mother spoke the Indian language.

In the references I have cited as to the claim, but the testimony of Louis H. Teek on page 797 establish

the right of all the descendants of Peggy Williams?

It was not my purpose at the outset of this letter to argue the question of the correctness of your decision in this case, but merely to determine whether the references made were correct and whether they had real application to the claim of this man, Samuel S. Smith.

Yours very respectfully,

App. No. 38048.

August 3, 1909.

William L. Robeson, Esq.,

Room Building,

Washington, D. C.

Sir:

Referring to your letter of July 31, 1909, relative to the claims of Samuel S. Smith and Solomon . . . Smith you state that by the references in my report it appears that these parties are connected with Martha Stoner and Louis H. Neak, but that you are unable to connect them with these parties. You further indicate that you think that a showing can be made that would entitle these parties, or some of them, to enrollment.

In reply you are advised that it appears from the testimony of Solomon . . . Smith, who is the father of Samuel . . . Smith, that the said Solomon . . . Smith, is the nephew of Louis . . . Stoner, application No. 23446, and that he claims . . . line . . . does, and to request that the . . . be considered with care.

From the evidence . . . Martha . . . Neak, who is the . . . mother of this family, that she was born in Liberty County, Georgia, in 1835; that her mother's name was . . . county and that her grandmother, Elizabeth Neak, through whom she claims, was born . . . in Liberty or Hart County, Georgia, and she traces back to her great grandfather, George Williams, who is the alleged

#2--WHR.

full blooded Cherokee. The names of these parties do not appear on any of the Cherokee rolls.

Elbert and Hart counties, Georgia, are considerably removed from the Cherokee domain, as defined in 1835.

There is nothing in the applications that tend to establish the fact of the Cherokee origin of these people except the one statement that the great grandparent, who must have been born very many years prior to the treaty of 1835, was a full blood Cherokee. From the applications it would appear clear that if these parties were of Cherokee descent they and their ancestors had separated from the tribe long before 1835.

In the testimony of Louis K. Peak, a brother of the said Martha Stoner, he stated that his grandmother was born in Virginia, but for the purposes of these cases it would make little difference whether she was born in Virginia or in Hart or Elbert counties, Georgia.

The testimony of Solomon W. Smith, referred to above, will be found on page 554, Misc. Testimony.

Very respectfully,

Special Commissioner.

William A. Hill,
Wichita, K. C.

Sir:

Relative to your application for participation
in the Eastern Cherokee fund, please state whether you,
your parents, or grandparents ever resided with the
Cherokee tribe. If so, state when and where. Were you,
your parents, and grandparents recognized as white people,
Indian or negro in the country in which you and
they resided?

During the recent period of my life, I have not re-
sided in 1904, and have not been working in
1904-1905, in living at that time. There were some grand-
children on the side of my father who lived in
1904-1905.

If you have any other relatives who were living, state
their names and where they lived.

Very respectfully,

Wm. A. Hill

Sir:

On May 18th, 1908, a letter was sent you from this office requesting additional information in regard to your Eastern Cherokee claim. No reply has been received to that letter, and unless the additional information requested below is furnished, your claim must be rejected.

You were notified to appear at Pilot Mountain to give testimony concerning your case, but you failed to appear.

The additional information is:

1. Why were you, your parents or your grand-parents never enrolled?
2. Were any of your ancestors ever slaves?
3. Were any of your ancestors parties to the treaties of 1835-6 and 1846?
4. State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

notary Public that I witnessed if not my
self who after being duly sworn deposes
and says that he is 68 years old and that
he knew Abner Barnes about 15 years past
prior to his death, that he also knew his wife
Hanna (Stewart) Barnes. That he knew the
children of Abner and Hanna Barnes,
viz, Samuel Barnes, Joe Barnes, Wm Barnes
Maggie (Howell) Barnes, Nancy Barnes and some
others. That the neighborhood talk was that
the Barnes children were mixed with
the Indians and the children of the neighborhood,
when they were mad would call the Barnes
children Indians, I have heard this done
during the time I knew Abner Barnes which
was about between 1850 and 1868.

That he knew Sam Stewart, father of Hanna
(Stewart) Barnes and that he had nearly
every appearance of an Indian, that I have
been told years ago that Sam Stewart
married in Cherokee County, N.C. and that
they looked very much like the Indians.

That affiant has heard Nancy Barnes
daughter of Abner Barnes say several times
that she was Cherokee Indian and that
she had Indian blood in her

That while it was generally said that they were mixed with the Indian, they associated with the white people.

That affiant has no interest whatever in any of the foregoing claims.

BELVA A. LOCKWOOD,
Attorney and Solicitor,

In the matter of the distribution
of the funds belonging to the
of the Eastern Cherokee Indians

Personnel of the Eastern Cherokee Indians, and
a Native of the same name & surname
U.S. A.T.D. 1840. The same person
is now and was not a citizen of the
United States and has filed his claim under
Number 3568. That the same person
was Alexander Barnes and was born about
1805 ~~at~~ and was born in Cherokee County
that he lived there about 1840 and
then away and came to ~~the~~ Forsyth County and
and married Virginia Stewart and lived
there, near Donahoe Station in Forsyth Co. N.C.
until, I think about 1840, then moved to
Forsyth Co. Va., now near Waverly Va. and
lived and died there about 1868.
That the mother, Hanna Stewart, was born in
Jones Co. N.C. and was always said to be
about 1/2 Cherokee Indian.

That his grand father Samuel Barnes lived
in Cherokee ~~County~~ Country, long since
died to 1800 and his wife, I have always
known well about 1820 or 1830 and have lived
in some place in N.C. that is John's
mother Rebecca (Key) Barnes, who lived and
died, so I have always seen her, among
the Cherokee Indians and I have always seen
and she has Christian mission

That Chesley Barnes, his Great Grandfather,
as affiant has always been told was
a full blood Cherokee Indian, That his
Grand father Samuel Barnes, was one half
Cherokee Indian and that his wife Rebecca
(Key) Barnes was also half Cherokee Indian,
That his father Oliver Barnes, by virtue of
his father and mother being half blood each,
would make his father half blood Cherokee
Indian,

That his father being half blood, and
his mother being part Cherokee Indian
would make affiant nearly half blood
Cherokee Indian.

That affiant was born in 1831 or 1832
in Surry County N.C. and while a boy went
with his father to Patrick Co Va and stayed
with him until about 1855. then come back
to Surry Co. N.C. and stayed until the Civil
War then served through the Civil War
then come back to Surry County and have
lived in Surry County ever since.

That none of his ancestors were ever slaves
but was always considered part Cherokee Indian.

That affiant has often heard his father,
mother, his uncles and aunts, also his neigh-
bors say that this affiant was part Cherokee
Indians, and that affiant has heard
this said so far back as he can
remember.

That Offiant has seen his father how
three different fights, and that Offiant has
had fights with him called Thomas
Indian. That Offiant has always passed as
a white man although it was well known
that he was closely related to Cherokee
Indian.

Special Commissioner Court of Claims,
Washington, D. C.

Dear Sir:-

Replying to your favor of May 18, 1907, marked C.H.B. Appl.
#38095, will say that my information is that my great grandfather
resided with the Cherokee tribe in North Carolina or Tennessee. My
parnets and grand-parents were recognized as white people but my great
grandmother was a Cherokee Indian.

The reason why the parents, whom I claim, was not enrolled
in 1851 is because of the fact that they lived in a rural community
in fact a wilderness, where there were no mails and no communication
with the outside world and ignorant of their rights and claim. My
grandfather, through whom I claim, was residing at the present site
of Lambric, Post office in 1834 and '35.

DICT.

Respectfully,

Jdes Carpenter,
Lambric, Ky.

Dear Sir:-

This descent comes through Thomas Cross. Thomas Cross lived as a member of the tribe in 1835 and was known as a Cherokee Indian. His descendants live in Habersham County, and with this exception they were known as white people in the community in which they lived. They were never slaves. He is believed to have been enrolled in 1835.

Of course these matters of ancestors can only be proven by tradition in many cases.

Yours very truly,

Burton Smith

P. S. I note that this name is directed as Vetron Gaswell, when it was in fact Ketron Gosnell. As I said in another letter to you today, this is not suggested as a criticism but in the nature of things, such things must occur.

Mrs. Barr states: My people have always been known as white people. Our ancestor, Berryhill, was half Cherokee and as such enrolled during the year 1835. She understands that he lived with the tribe until he was grown.

You will understand that a number of the North Georgia counties were occupied by the Cherokee Indians and they inter-married with the white people in that region.

Martha Jane Barr, being first duly sworn, deposes and says:

My name is Martha Jane Barr. I live at 55 Howell Street, Atlanta, Ga. I was born in 1846 in Randolph Co. Ala. I claim Cherokee Indian blood through my father and his father. My father was born in 1810 in Stewart Co. Ga. I don't know where my grandfather was born and raised, but I think he came from S. C. near the Ga. line. My father and his father were recognized as white people where they lived, and lived with the white people. I never heard of my grandfather taking any part in tribal matters. My father was in the Indian war. I think my father got a pension. He was fighting against the Indians. That was before I was born, of course. My father and grandfather never got any money or land from the Government ~~because of their~~ as I know of. on account of their Indian blood. When I was about 6 years old my father and I lived in Randolph Co. Ala. I don't know why we were not enrolled with the Cherokees at that time. In 1882 in Harrison Co. Ga. I don't know why I was not enrolled with the Cherokees at that time. I never heard of any of my ancestors being enrolled at that time. All my father's people went west when I was a child. I have two aunts and one uncle that went to I. T. to live. My uncle's name was Nathan Berry Hill. My aunts' names were Martha Mills, and Saffronia ~~xxxx~~ Gelf. I have heard of the Treaty the Government made with the Indians in 1835.

Appl. #38117.

Mr. Guion Miller,
Special Commissioner,
601 Ouray Building,

Washington, D.C.

Dear Sir:-

Your letter addressed to Sarah E. Fowler has been turned over to me for reply. Mrs. Fowler reports as follows:

"I do not know whether they lived with the Cherokee tribe or not. My great uncle was always called and known only as an Indian. My great-grandfather was known as an Indian. I do not know why they were not enrolled, if they were not enrolled.

My grandparents probably resided near Greenville, S.C. in 1834-35.

My parents and grandparents were not slaves and with the above exception were known as white people in the community where we lived but that we had Indian blood."

Yours very truly,

Burton Smith

April. 38120

Alfred K. Wilson, being first duly sworn, deposes and says:

My name is Alfred K. Wilson. I live at 97 C rroll Street, Atlanta, Ga. I was born in 1886. I am a son of Lular Ray Wilson. I claim Cherokee Indian blood through my father and my mother. My father died about 15 years ago, and was about 35 or 36 years old when he died. ~~xxxxxxxxxxxxxxxx~~ ~~xxxxxx~~ I think my father came from S. C. I don't recollect the names of my grandparents on my father's side. They died in S.C. I don't know whether my Indian blood comes through my mother's father or her mother. My mother's father and mother came from S. C. They came from near Spartanburg. I never heard of my mother and father or their parents getting any money or land from the Government on account of their Indian blood. I never heard of their being enrolled with the Cherokees. I have always been taught that I had Cherokee blood in me. I never heard the name of the Cherokee Indian from which I got my Cherokee blood.

Chas H Bradley
Ass't to Special Commissioner,

April. 38120

Orran E. Jones being first duly sworn, deposes and says: My name is Orran E. Jones. I live at Atlanta, Ga. I am 6 years old. I know Alfred Wilson, and his mother, Lular Ray Wilson. I also know his father, Benjamin Wilson. I know them first about 10 years ago. I know Mr. Wilson's mother. I never saw her father. I don't know what part of the country they came from. Mr. Wilson and her mother were recognized as white people with Indian blood when they lived. I don't know a thing in the world about their having Cherokee Indian blood. I have just heard it talked around that they had Cherokee Indian blood.

mother got some money from the Government when I was a little bit

He was a full blooded Cherokee Indian. I never heard of his
getting any money or land from the Government. I never heard of
his being enrolled. In 1882 I was living in Cherokee County, Ga.
I did not hear about an enrollment at that time. I have heard
of the Indians being driven away ~~xxxx~~ from here. My grandparents
went west. I don't know whether they were driven away with the
Indians or whether they went later. I don't know where my great

Dear Sir:-

Mrs. Margaret C. Hyde has turned over to me for
reply your letter in reference to the above application.
She reports as follows:-

"My grandmother, Nancy Teasley, was a member of the
Cherokee Tribe before she was married and was enrolled as
a member. They lived at Anderson, S.C. They were always
recognized as Indians in the community in which they lived.
None of my people were slaves"

Yours very truly,

Burton Smith

No. 38177.

Margaret C. Hyde, being first duly sworn and examined,
deposes and says:

My name is Margaret C. Hyde: I was born in Anderson District, S. C. 1844: I claim my Cherokee Indian blood through my mother: I make no claim of Indian blood through my father: my mother's maiden name was Elizabeth Ashworth: my mother was born in Spartanburg District, S. C. about 1820: my mother got her Cherokee blood from her mother: my grandmother's maiden name was Nancy Teasley: I never saw my grandmother, Nancy Teasley: my grandmother was born in S. C., but I do not know in what district or town: my grandmother, Nancy Teasley, claimed her Cherokee Indian blood through both her father and mother: my great-grandparents through whom I claim were born in S. C.: I do not know the place of their birth nor the date: my mother, Elizabeth Ashworth, never lived with the Cherokee Indians as a member of the tribe, but I think my grandmother and great-grandparents lived with the Cherokees in S. C., in Anderson District, I think: in 1875 - 36 my mother lived in S. C.: in 1851 my mother and I lived in Cherokee Co., Ga.: in 1875 my grandmother, Nancy Teasley, was dead: none of the ancestors through whom I claim were ever held in bondage: none of the ancestors through whom I claim ever had an Indian name and never went West with the Indians that I know of: none of the ancestors through whom I claim were ever enrolled: both I and the ancestors through whom I claim were always regarded in the community in which we lived as being part Cherokee Indian, although we always associated with white people: I do not know why my parents were not enrolled in 1835 or 1836.
